

## Program Officer - Policy

Posted on: *July 25, 2011*

Posted by: [Rodel Foundation of Delaware](#)

Located in Wilmington, Delaware, the Rodel Foundation of Delaware is a fast-paced working philanthropy engaged in transforming the public education system with a dedicated team of talented and passionate people. The Foundation's mission is to help Delaware create one of the finest public education systems in the nation.

Job Title: Program Officer

Reports To: Senior Program Director - Policy

The primary role of the position is to provide management, leadership, and support for Rodel and outside partners' projects on education policy issues such as school finance, teacher quality, and early childhood education.

The role requires strong critical thinking and analytic capability, exceptional writing and presentation skills, flexibility, good judgment, political savvy and the ability to manage complex local and national partnerships.

### Essential Duties and Responsibilities:

- Provide policy, research, evaluation, and program management support for Rodel Foundation programs, partners' initiatives, and statewide entities
- Conduct research on education in Delaware, the US and internationally for communications, policy, and strategy development purposes
- Develop proposals on policy changes, implementation and evaluation planning, and programmatic structures for education reforms
- Prepare thoughtful, user-friendly policy briefs for a broad range of audiences
- Research and analyze existing code and proposed legislation, draft proposals for new legislation and regulation
- Provide program management support, including research, engagement of national experts, meeting preparation, and writing, to statewide policy efforts and Rodel Foundation programs
- Conduct long-term program strategy formulation and develop presentation materials

Education/Experience:

To perform this job effectively, a Master's Degree in Public Policy, or equivalent, is preferred, and a strong knowledge of state and national education systems, policies and practices is a must. In addition, 3 to 5 years of experience in policy development, research and analysis program management is strongly desired.

The ideal candidate will excel in:

- Written and verbal communication skills
- Program and project management experience
- The ability to work independently and with others
- Strategic thinking
- The ability to work with multiple partners at all levels

Computer Skills:

To perform this job successfully, an individual must be proficient in the full suite of Microsoft Office, have knowledge of statistical analysis, and the ability/ affinity to learn new technology applications.
